

PURPLE PLAGUE PSA

Fill in the blanks in the script below with the words in the Word Bank. Practice reading it out loud, and then share your announcement with a friend or family member!

Hello, my name is _____ and I have a very important announcement about invasive species. Did you know _____ are bad for the planet? Invasive species are like _____. They can _____ all over, and push out the _____ plants that already live in an environment. This makes it so that animals don't have enough to _____. Sometimes people introduce invasive species by _____, because they look pretty. However, you can help prevent invasive species by _____ them and planting native seeds. By working _____ we can protect our planet from invasive species. Thank you for listening!
