

# Purple Plague: Nature Journaling

Go outside and see if you can find an animal to observe. It can be a bird, squirrel, bug - anything that catches your eye! Watch your animal for a few minutes. Draw a picture of it in the box, and then answer the questions below.

What does your animal look like? Is your animal big or small? Is it colorful? Does it have feathers, fur, or scales?

What is your animal doing? Is your animal looking for food? Is it sleeping? Is it moving around?

What does your animal remind you of? Does it look or act like another animal, person, or thing?
