

# RACCOON'S REDEMPTION COMIC

As you listen to the story, fill in the blanks and draw pictures to complete the comic.

Once upon a time there was a meadow where many animals lived.

One day, Gray and Brown Squirrel realized that their acorns were missing.

They discovered a hungry \_\_\_\_\_ had stolen their acorns!

All of the animals were very mad.

Raccoon was \_\_\_\_\_, and apologized for her actions.

The next winter, all of the animals worked together to find food, so everyone had enough to eat.
